Welcome to Troop AL-1613

Parents Meeting

August 14, 2023

**Troop AL-1613
Trinity Reformed**

Welcome to Trail Life!

**Our Troop operates as a ministry of Trinity Reformed Church.
Mayfair Church of Christ has graciously allowed us to meet here.**

- Christ-centered leadership, character, and adventure program for young men.
- Mission: Guide generations of courageous young men to honor God, lead with integrity, serve others, and experience outdoor adventure.
- Young men ages 5 to 17 are encouraged to join our Troop to participate in scheduled events and activities.

Troop Verse

Be watchful, stand firm in the faith, act like men, be strong. (1 Cor 16:13)

**All members meet together, breaking into age-specific program groups
at various times during Troop meetings.**

This provides a well-rounded program that integrates leadership opportunities for the older boys, and role models to help teach the younger boys.

Program activities are designed to grow life skills and provide faith-building experiences.

- The 1st Thursday of each month we usually have a Leadership planning meeting.
- Outdoor activities (campouts, hikes, canoeing etc.) once a month for the Navigators & Adventurers (usually the 3rd Weekend).
- One High Adventure travel activity for the Adventures each summer
- We have two annual troop wide campouts, at least one family campout, a Pine Car Worthy Rally, fundraiser, and community service opportunities.
- Award Banquet Ceremonies in December and May.

Youth Protection Essentials

It's as Simple as 1-2-3

1 – No One-on-One: The no one-on-one rule is in place for youth protection so no boy is ever alone with an adult. This is for both the protection of the boy and the adult.

2 – Two Deep Leadership: The two-deep rule is in place for safety so there is always a minimum to two Registered Adults in proximity to provide backup and oversight.

3 – Buddy System of 3: The buddy system of three is suggested to keep youth safe from other abusive youth when out of sight of adult leadership. Buddies must be of the same program level.

Core Committee

Troop AL-1613
Trinity Reformed

Core Committee Leadership Team consists of 5 members. They hold a monthly committee meeting with other select members of the Troop leadership, overseeing the greater needs and scheduling of the Troop. Volunteering

Troop AL-1613
Trinity Reformed

- Fulfilling a Trail Life USA core value, our Troop is entirely volunteer-led. Our parents are very involved and new parents welcomed to participate. We have positions open on the Committee and Direct Contact leadership teams.
- Women are welcome to volunteer on the Committee. All Direct Contact leaders for the Navigators and Adventurers will be men. While Trail Life allows women to serve in the Woodlands Trail program, the troop believes it is a good example for the young boys to see men leading the Woodlands Trail patrols.
- Ladies – Our American Heritage Girls Troop is a great place to serve!
- Speak to the Committee Chair, Troopmaster or TML for more information.

**Trail Life USA welcomes boys of any faith—or no faith at all. However, all materials and activities consistently emphasize our Christian worldview and our hope to make faithful disciples. For that reason, all adult members must ascribe and adhere to the TLUSA Statement of Faith and Values.*

Patrol Method

- In the words of our troop's first Freedom Rangeman
 - "Trail Life is distinctly faith-based and boy-led"
- Definition
 - The Patrol Method splits the troop into small groups (patrols) that explore the theory and practice of leadership, while using the gifts of individuals to build group wellbeing.
 - This is the "boy-led" part of Trail Life.
- Incrementally introduces Trailmen to
 - Experiencing the gifts of guidance
 - The varying gifts and talents of individuals
 - Hierarchy of leadership
 - Teamwork
- Provides a unique context for our Trailmen to
 - Be spiritually and physically challenged
 - Grow and mature in a fun yet safe environment overseen by Christian leaders
 - Experience the joys from stepping up to lead
 - Develop character while simultaneously enjoying outdoor adventure
 - Become stewards of morale, confidence, and opportunities of experience

Patrol Method

- Patrols are divisions of the troop in the same program usually made up of 6-8 Trailmen who work together
- In their patrols our Trailmen
 - Lead and are led by other Trailmen
 - Learn from trials
 - Are an essential part of a small team that helps one another succeed
 - Begin to accept responsibilities generally at an earlier age than many young men will experience, along with more fun and adventure
- Use of the Patrol Method in Trail Life means that
 - Trailmen will be given frequent tasking, direction, and correction by other Trailmen
 - Both from youth Patrol Leaders and Adult Leaders
 - Trailmen will be challenged
 - As Trailmen mature and advance in the program, parents incrementally take a reduced role in resolving the typical challenges that arise in troop activities
 - Trail Life understands that young men mature and advance in varying ways and at different ages
 - Parents may need to widen boundaries for their sons to discover what it means to succeed and to fail
- Use of the Patrol Method does not mean that
 - A Trailmen is prohibited from seeking out a parent for any reason at any time
 - A parent is expected to be unavailable, uninvolved, or absent from their sons' activities in Trail Life
 - A parent is in any way expected to diminish their God-given parental role as a primary discipler of their sons
 - Trailmen are left alone to solve problems that arise
